

Parks and Recreation Committee

The Parks and Recreation Committee is established under Bristol Bay Borough Code chapter 2.70.

The committee works with the Parks and Recreation Director

a: to prepare and recommend to the Assembly a comprehensive plan and related texts for the systematic development of Parks and Recreation programs in the Bristol Bay Borough.

b: to undertake an overall review of the plan at least every five years and present recommendations based on the review to the Assembly.

c: to consider and investigate subject matter leading to the development and betterment of the Parks and Recreation facilities and programs in the Bristol Bay Borough and to make recommendations it considers advisable to the Assembly.

d: to assist in the preparation of the annual budget for the Parks and Recreation Department and present the proposed budget to the Assembly for its approval.
