Hand-delivered to Boat Owners and Captains before or during Port picking boats as of July 30, 2019

**To: Boat Owners and Captains of Boats using Port Storage Services  
Port 2020 Pricing Policy: Boat Picking, storage and splashing**

The 2020 season for storing your boat at the Port of Bristol Bay will require you to have your boat splashed by May 15<sup>th</sup>. The in-season storage charge will begin on May 15<sup>th</sup>. This means that on May 15<sup>th</sup> 2020 all boats still on the dock will incur a daily storage charge rate of \$693.00 per day, under 50 feet, \$1155.00 per day, over 50 feet. Picking, Splashing and storage of boats is subject to space availability on the dock and the discretion of the Port Foreman.

Thank you in advanced for your understanding and cooperation.

Respectfully

Jeremy Kern
