- Only 1 person doing a transaction at a time. All others will wait their turn in their vehicle outside.
- Person must wear a mask and respect 6-foot distancing. We have installed a Plexiglas barrier to help with this.
- Hours of operation: Monday through Thursday from 8am to 3pm.
- Road tests will be offered upon request, according to the following rules:
  1. The applicant must bring their own car for the test
  2. The applicant must bring and wear a mask
  3. The vehicle must be cleaned and disinfected
  4. The front seats of the vehicle must be cleaned and disinfected on site just prior to the road test
  5. Adopting the DMV Contract Services Officer's advice:
    - For disinfectant, use Lysol spray and wipes:
      - a. spray the vehicle and leave it for 5 minutes or so while the vehicle is completely closed
      - b. wipe down the passenger side; anything that you may possibly touch
      - c. roll down the window halfway for both the passenger and driver side to allow proper ventilation for the rest of the test
