

Bristol Bay Borough

FISHERMEN CHECKLIST

The Bristol Bay Borough encompasses the communities of Naknek, South Naknek, & King Salmon. If you have questions for the Bristol Bay Borough regarding Covid-19 please contact Deputy Incident Commander Donald Wood at (907)-246-4224 (ext. 311).

To respect the safety and concerns of the communities, the Bristol Bay Borough asks you to respect the following rules:

- **Observe a Mandatory 14 Day Quarantine for Travelers from Outside the State of Alaska as outlined in Alaska State Health Mandate 017.**
- **Voluntarily Limit Interactions/Travel within the Communities Unless Necessary**
- **Practice Social Distancing**
- **Wear a Face Mask while in Public**
- **Wash Hands Often and Practice Good Hygiene**

You have arrived in the Bristol Bay Borough for the 2020 Salmon Season, this is what you need to do next:

- Let your boatyard know you have arrived. Check with your boatyard for their protocols for the 2020 season.
- Let your processor know you have arrived. Check with your processor for their protocols for the 2020 season.
- The Bristol Bay Regional Seafood Development Association has purchased LIMA & QUEBEC flags for each drift vessel and set net permit holder. Under Alaska State Health Mandate 017 each vessel is required to fly these to indicate their status. **Contact your fleet manager to get yours.**
- Get a COVID19 Test. Walk/Drive Up Tests are free, offered by Camai Community Health Center. They are available to you at the Kvimarvik Community Pool testing site, located next to the Camai Clinic, **Monday - Friday from 1pm-3pm.** (Check <http://camaichc.org> for any changes.)
