### PUBLIC SERVICE ANNOUNCEMENT

## PERMANENT REGISTRATION FOR NONCOMMERCIAL TRAILERS AND OLDER VEHICLES

The Bristol Bay Borough Department of Motor Vehicles would like to announce that our Z-Tab Program is up and running. We are now offering Permanent Registration for Noncommercial trailers and 8 year-old or older vehicles for the residences of King Salmon, Naknek, and South Naknek. You can register your vehicle up to 90 days prior to month on the plate tab and not have to deal with summer wait times.

If eligible, and your registration expires February 6, 2023, or later, you can pay a one-time \$25 permanent registration fee along with registration fees and motor vehicle registration taxes. At that time, you will be issued a permanent “Z” tab and will not have to renew your registration again.
